

## wedi Nonstep® ProS

The latest generation of sound insulation  
for Fundo shower elements

wedi Nonstep ProS is a high-quality sound insulation fleece which is used under the wedi Fundo shower elements to significantly reduce water impact and footstep noises. The Nonstep ProS not only meets the minimum requirements (DIN 4109) but has also been successfully tested in the wedi system for compliance with the increased sound insulation requirements (VDI 4100). The soft and flexible material easily covers any unevenness in the floor, is moisture and rot-resistant, prevents mould growth and is recyclable.

Easy to cut to the right size with a cutter knife.

Connect joints between the wedi Nonstep ProS mats with commercially available adhesive tape.

Bond wedi edge insulation strips to edges with wedi 610 then cover joints to the wedi Nonstep ProS with adhesive tape. Finished.
